## About Us

Silver Care is a mission-driven healthcare service provider focused on delivering high-quality, compassionate in-home care.

Founded in 2017, the brand has built a trusted reputation by helping individuals maintain independence and dignity through personalized care services.

Today, Silver Care is expanding through franchising, offering entrepreneurs the opportunity to own a meaningful and scalable business.

## What Makes Silver Care Different

Silver Care is designed to be both impactful and efficient.

- Wide range of services including personal care, companionship, meal preparation, dementia care, and caregiver support
- Streamlined business model with low overhead and flexible setup
- Integrated systems for scheduling, billing, and operations
- Ability to serve multiple client needs under one brand
- Built for both purpose and profitability

## Training and Support

Silver Care equips you with the knowledge and tools to succeed from day one.

- 40 hours of classroom training
- 40 hours of hands-on, on-the-job training
- Training completed over approximately 2 weeks
- Virtual and in-person instruction available

## Training Covers

- Operations and business setup
- Billing and collections
- Regulatory compliance
- Marketing and growth strategies
- Customer service and patient care
- Emergency and disaster planning

## Industry Opportunity

The home care industry continues to expand rapidly and shows no signs of slowing down.

- Hundreds of franchise locations operated by leading competitors nationwide
- Multi-million dollar average revenues reported by major brands
- Increasing demand for personalized, at-home healthcare services
- Strong long-term stability and recurring revenue potential
